

Design by Susan Cousineau
Lollipop Rainbow

Magical Mermaid Wall Hanging
Approximate Finished Size: 37" X 44"

FABRIC REQUIREMENTS & CUTTING GUIDE

Fabric A - Panel: 9654-0126

- Fussy cut center panel piece, cutting off top and bottom borders.
(approximate size 24" X 32")
(1 panel)

Fabric B - Aqua Blue Wave Dot: 9661-0150

- Cut two 8" wide strips same length as panel for side pieces. Or cut the 8" strips width of fabric (WOF) then cut flush after sewing to panel.
(5/8 yard)

Fabric C, D, E and F:

Cut six 8" X 8" squares for pockets as follows:

- One **Fabric C (Pink Dot): 9657-0126**
- Two **Fabric D (Crab Tossed): 9662-0126**
- Two **Fabric E (Main Allover): 9655-0125**
- One **Fabric F (Stripe): 9660-0126**
(3/8 yard each)

Fabric G - C83 Centennial Solid Limeade 0244:

- Cut six 2-1/2" X 8" strips for the pocket binding.
(1/4 yard)

Fabric H - Yellow Wave Dot: 9661-0133

- Cut four 3" wide WOF strips for borders.
(1/2 yard)

INSTRUCTIONS

Assemble Pocket Strips:

1. For pocket binding, fold long edges wrong sides together and press. Open and press each long edge to the crease. Fold in half and press. Fold binding over top edge of each pocket square. Stitch close to edge.

2. Pin bottom pockets to lower edge of each strip right side up. Baste.
3. Fold bottom raw edge of middle and top pockets under 1/4" and press. Pin to side strips right side up, spacing evenly in between each pocket. Top stitch along bottom of each pocket and baste on each side.

Assemble Wall Hanging (refer to wall hanging layout):

4. Sew pocket strips onto each side of panel. Press seams.
5. Cut top and bottom border pieces (Fabric H) to same width as wall hanging. Sew top and bottom border pieces. (Or sew borders first then cut flush after sewing.). Press seams.
6. Cut side border pieces (Fabric H) to same length as wall hanging. Sew side border pieces. (Or sew borders first then cut flush after sewing.). Press seams.
7. Layer and quilt as desired.
8. Bind as desired using four 2-1/2" X WOF strips.
9. Hang as desired using preferred method.
